HM Lorraine I Reigns

Queen Lorraine I reigns! Homecoming festivities at MSTC were highlighted last Tuesday with the election of Lorraine Vogel as Queen of Dragonville, 1956.

Chosen by the student body in an all-college election on Tuesday, October 9, Lorraine became Queen. In tap dancing, Fran Kimura with a Hawaiian arrangement. Dick Bennett and Bette Jewell with a Bop routine, and Ron Welch and Jo Sater doing the Lindy.

Dark haired, hazel-eyed Lorraine is a junior from Cando, North Dakota and was sponsored by the Psi Delta Kappa Sorority. Besides being secretary of her sorority she was also secretary of WDA, treasure of the Wesley Foundation, and president of Euterpe. Other campus activities include YWCA and choir.

Attendants to the Queen are Frances Berkley, sponsored by the Beta Chi sorority, Laura Olich, sponsored by the Pi Mu Phi sorority, and Nancy Johnson, sponsored by the Gamma Nu sorority.

The Queen and her court will be escorted at the coronation ceremony Friday evening by senior members of the 1956 football team, Frank Leidenfrost, Bill Beck, Charles Sloan, Ron Noesen, and Dick Zak. The crown will be presented to the queen by the Student Commission President, Frank Leidenfrost.

Queen Crowned Tonight

The coronation program will begin at 8:00. At this time the queen will enter to a fanfare played by the orchestra.

The audience will rise and sing the Alma Mater to close out the program. In charge of the arrangements for the coronation ceremony is Joanne Baugh.

Musical selections on the coronation program include a trio by Sylvia Johnson, Lois Eggebraaten, and Florence Beiswenger; a trumpet duet by Dr. and Mrs. Harmon; and two numbers by the Euterpe Singers. The Euterpe group, under the direction of Dr. Maude Wenck, will sing "The Way You Look Tonight" and "Amici." Dr. Earl Foreman will play the pro-

cessional and the recessional.

The audience will rise and sing the Alma Mater to close out the program. In charge of the arrangements for the coronation ceremony are Joanne Baugh and Art Boss.

After the coronation of the 1956 Homecoming Queen, the 25th annual MSTC Homecoming gets under way with the torch light parade lighting the way to the burning of the M. At this traditional ceremony the cheerleaders will lead the crowd in school songs and cheers.

Concluding this evening's festivities, a reception for Queen Lorraine will be given in Ingleside Parlors, sponsored by the Psi Delta Kappa sorority, her sponsoring group.

Parade Begins at 10

Tomorrow's celebration begins with the parade at 10:00. The color guard will lead the parade, followed immediately by the queen's car. The rest of the pageant will include thirteen floats decorated by sororities, fraternities and other campus organizations, plus the same number of decorated cars carrying the queen's attendants and the cheerleaders and representing several clubs and the various departments of the college.

Bands from MSTC, the Campus School, and Moorhead High School will march in the parade. The floats will be judged as they pass the reviewing stand which will be located at W. W. Wallwork's.

Following the parade the sororities and fraternities will hold their annual Homecoming luncheons. The Owls will have their luncheon at the Rex Cafe; the AE fraternity at the Silver Moon; the Beta Chi's at the Valley Room in the F-M Hotel; the Gamma

Nu's at the Colonial Room of the Gardner Hotel; the Psi Delta's at the Tree Top Room in the F-M Hotel; and the Pi's at the Rex Patio in the Rex Cafe.

Game, Dance Saturday

The MSTC Dragons will meet the Mankato Indians in a football game at 2:00 Saturday afternoon on the MSTC field. Pre-game music and a half time show will be presented by the MSTC band, under the direction of Arthur Nix.

The schedule of the Pre-game activities is as follows: Queen enters, team leaves field, freshmen form line from gym to field, teams re-enters through line, freshmen return to their reserved seats, flag presentation, Star Spangled Banner, and kickoff.

The Alumni Banquet will be held Saturday evening in the college cafeteria. This all college feast will be open for students, guests, faculty, and alumni.

Winding up the entire festivities for 1956 Homecoming will be the long-awaited dance which begins at 9:00. This dance is being held in the large gym which will be decorated regally for this event by the freshmen punished for freshmen violations.

Providing music for the MSTC "Autumn Highlight" Homecoming dance will be Rod Aaberg and his 16-piece University of Minnesota orchestra.

The orchestra, largely composed of university music students, presently has a fully-booked season and is currently on a tour of colleges in the Midwest, including Minnesota teachers colleges, Carlton College, Macalester, and Iowa State. It is also under contract with major recording companies.

Polls Open Tuesday For MS Straw Vote

MSTC students and faculty will vote for their choices for president, vice-president, and Congressional representative from the ninth district of Minnesota on Tuesday, October 16.

Sponsored jointly by the Young Republicans and the Young DFL clubs on campus, the straw vote is open to all students, regardless of age or state of residence. In addition, faculty members will be eligible to vote. The polls will open at 9 a.m. and will remain open until four in the afternoon. Complete results will be published in the Western Mistic.

Listed on the ballot will be Democratic and Republican candidates for the three offices. President Eisenhower and ex-governor Adlai Stevenson com-

prise the presidential contest, while Richard Nixon opposes Estes Fefauver for the vice-presidency. In the contest for ninth district Congressman, Democratic incumbent Mrs. Coya Knutson opposes Harold Hagen.

The YDFL Club is in charge of printing posters and arranging publicity for the vote. The YGOP club is responsible for the printing of the ballots and other arrangements.

This straw vote will be the second sponsored during the year. Late in April, long before the political conventions, a vote was taken for preferences for the presidential nomination. President Eisenhower led all other candidates by forty votes, although Democratic voting strength was greater than Republican.

Freshmen Canvass City To Urge Registration

The entire freshman class at MSTC swarmed over Moorhead Wednesday, October 10, to urge all eligible residents to register for voting before the October 16 deadline.

Arranging the mass appeal as a practical project in citizenship were MS social studies teachers Dr. Amos Maxwell, Dr. Edwin Blackburn, Dr.

Voting Wed. For Board

All MSTC students and faculty members will elect new Bookstore Board members in an election on Wednesday, October 17. Jo Sater, Bookstore Board secretary, urges everyone to remember to vote.

Nominees from the student body are Bob Andstrom, Garnet Badtke, Karen Berg, Gene Goedel, Marvis Ege, Sharon Hodne, Solveig Ramstad, Avonell Schmidt, Neil Sussenguth, and Ronald Welch. Students will vote for five.

KMSC Announces Completion Of Fall Broadcast Schedule

Campus radio station KMSC announces its completed weekly schedule for this fall.

A newly added feature on KMSC is the Sunday program of music. Broadcasting from 1 p.m. until one o'clock Monday morning, the station will air recorded music for the listen-

ing pleasure of MSTC students. These programs are under the direction of Kay Colwell, Carole Frank, Jim Rice, and Cliff Strommen.

The weekly schedule, on the air Monday through Thursday every week, runs from seven in the evening until 1 a.m.

Residents were asked if they had registered, and, if not, they were urged to do so. The necessary information concerning places and times for registration were given.

The MSTC faculty members in charge divided the city into sections so that each social studies class was given a particular section to cover. Students made their rounds in pairs.

It is an annual project of MSTC classes either to urge Moorhead residents to register or to urge people to vote on election day.

"This year we decided to get them out to register," said Dr. Maxwell. "If they don't bother to register, you can't get them out to vote, anyway."

Open House, Special Mistic Will Mark Education Week

An open house for visitors and parents has been planned for November 15 by the National Education Week planning committee. Further, posters are to be placed around campus by the art department, exhibitions set up, and a special all-campus edition of the Mistic printed.

This was announced today by Dr. William Gillis, chairman of the committee. Serving also on the committee are Miss Shelda Ann Jacobson and Miss Dorothy Jefferson of the MSTC campus school.

For the open house, to which people from the western area of the state and the Fargo Moorhead locality will be invited, an assembly consisting of student contributions is slated. Following the assembly a visit-

ors-faculty coffee hour will take place.

Posters and exhibitions are to be taken care of by the art department and individuals at MSTC. NEA materials will be available.

The Mistic for the week of November 11-17 will combine with the campus school newspapers and concentrate on the theme of education with many special features.

Welcome, Alumni!

Welcome back, former Dragons!

We should like to take this opportunity to extend an official welcome to all returning MSTC students. On behalf of the entire college, and particularly on behalf of all of us who have striven to make the 1957 Homecoming one of the best ever.

We should like to invite you to attend all of the festivities slated for this big week-end. See our parade uptown, and see Concordia's at the same time, if you like. If you do not want to see the Cobbers strut their stuff, you may ignore them.

See lovely Queen Lorraine I crowned this evening. Stay around for the traditional pepfest and burning of the M afterwards. See the Dragon football squad Deflato Kato tomorrow afternoon. And, while you are at the football field, see the MSTC band salute your mothers and ours. Saturday evening, enjoy the music of Rod Aaberg and his fourteen-piece orchestra at the Homecoming dance.

We hope that we have made MSTC as good a place to "come home to" as it was when you were here as students.

Everyone connected with the Homecoming committee deserves a salute for the long hours of hard work they have put in to make this a successful fall festival.

Faculty Members Form Informal Luncheon Club

Five faculty members have been scheduled so far to speak to the recently formed faculty luncheon club. Scheduled to meet bi-weekly, faculty members will hear reports on various activities of the college, chiefly those of an instructional and curricular nature, according to Dr. Byron D. Murray, head of the council of the upper divisions which is acting as sponsor to get the club underway.

Programs, which will be heard in the Hollyhock room of Comstock hall include thus far a report November 5 on "The Use of the Undergraduate Seminar at MSTC," with Neil Thompson of the social studies department presenting the plan of the American Studies seminar, a joint venture of the English and social studies departments; Dr. Genevieve King, head of science and mathematics, reporting on the science seminar; and Dr. Claydon Robbins, head of professional studies, the student teaching seminar.

On November 19, Ray R. Sorenson, director of placement, will speak on the topic, "A Report from the Field on Our Recent Graduates." On December 3 Dr. J. P. Smith of the psychology department will present

an analysis of the status and background of the present freshman class.

The luncheon club is planned as an informal organization open to all of the faculty who wish to come. Dr. Murray explained. "It probably will have no dues, no constitution, no membership list, and will not make any decisions. Its purpose is in part to provide a chance for faculty to meet in a social occasion, and in part to provide an opportunity for members of the various areas and departments to communicate with each other and become aware of the activities of the college as a whole."

North Dakota Girl Chosen Cobber Queen

To The Editor:

For the past several years, the question of fairness concerning the sale of Homecoming buttons has stirred the interest of many MSTC students.

Each year more and more of the students' money is being spent on Homecoming. Yet nothing is being done to try to alleviate this huge cost. Why shouldn't the proceeds from the sale of our traditional homecoming buttons go for this same purpose?

All freshmen are required to buy these buttons as well as all students who have the homecoming spirit. Does this mean that we are all required traditionally, or otherwise, to help fill the coffers of a single social organization, to do with as they see fit?

Homecoming buttons symbolize the spirit of homecoming, and the profit from their sale should go toward homecoming expenses. Why shouldn't all the students profit from the very thing that their money is going to support?

Let the Student Commission sponsor the sale of the buttons in the future. For the Student Commission works for the best interests of all the students.

STUDENT TEACHING APPLICATIONS DUE

All seniors in the college who plan to do student teaching in the secondary school during the winter or spring quarters must be sure that their applications have been accepted. If no notice of acceptance has been received recently it means that no application has been filed in the office of Werner Brand, high school principal.

MINNESOTA GOVERNOR ORVILLE FREEMAN, appointed honorary homecoming chairman at his appearance here last Thursday, poses with the four queen candidates.

Reunion Of MSTC Alumni Planned For MEA Meeting

The traditional reunion of MSTC alumni at the biennial MEA convention will be held this year. In the form of a tea, it has been scheduled for the University Room in the St. Paul Hotel Thursday, October 25, at 4

p.m.

Arrangements were completed for the time and place by a committee of the Faculty Association of which Dr. Murray is chairman. Following these arrangements, the tea has now been taken over by John Schulstad, president of the alumni association, which will sponsor the sale of tickets at the MSTC booth in Exhibit Hall of the St. Paul Auditorium.

It was pointed out by Dr. King, president of the faculty association, that faculty participation in the event was instituted to encourage faculty members to be at the tea so that they may meet with the alumni, who traditionally turn out in large numbers at the convention.

Schulstad has announced that he will be assisted by a group of alumni who teach in the Twin Cities. Announcement of the MSTC event will appear in the official program of the convention.

Commission Minutes

The Student Commission meeting of Monday, October 8, was called to order by President Frank Leidenfrost at 6:45 p.m. Those present were Connie Battreall, Delsie Charais, John Moriarty, Ralph Burke, Joan Fowler, Phil Kieselbach, Ron Miller, Bette Reyes, June Johnson, Mrs. Grantham, and Mr. Nelson.

The sale of Homecoming buttons was discussed.

Phil moved and Bette seconded a motion to sell the linotype machine in Weld and to earmark the funds received from the sale for a Student Union Building. It was passed unanimously.

Gridders Fall To Winona, 20-0 For Second Conference Defeat

The MSTC Dragons bowed to Winona TC 20-0 in a homecoming game at Winona Saturday, October 6. This was the second conference victory for league-leading Winona and the second consecutive loss for the winless Dragons.

Winona capitalized on a Dragon fumble early in the first quarter. The Warriors had a first down and only four yards to go for the touchdown, but the Dragon line held them to only a yard gain in three plays, until Don Segermank ran through for the TD. Seeman kicked the extra point,

and Winona led 7-0.

The game was evenly played until midway in the third period, when Winona put on a 85-yard touchdown drive with Segermank scoring from the one. The conversion attempt was blocked, making the score 13-0 Winona.

In the fourth quarter, Winona again put on a touchdown drive. This one covered 61 yards with Don Segermank again scoring, this time for his third touchdown of the game on a 1 yard plunge. Winona scored the conversion on a pass from Svenningsen

Dragons Preparing To Deflate Mankato

Saturday afternoon at 2 p.m. the MSTC Dragons go after the Mankato Indians and try to gain their first win of the year. Mankato has not been defeated on the football field this year, although they were forced to forfeit their first game against Winona and were held to a 13 to 13 tie by the high flying St. Cloud Huskies.

Mankato has two outstanding ends. One of the ends, Gene Wiebusch is a freshman, while the other, Bill Duncan, made all conference end last year. To go with the two fine ends is quarterback Jerry Bodelson who made all conference second team last year.

Mankato team include backfield men Duane Jenet and Richard Kubes and a very good right guard in Ray Godbout.

It is general knowledge that coach Bob Otto is working for only one thing the years when Mankato will again reign as a small college football power in the Teacher's College Conference and the entire midwest as they did in a period immediately after World War II. During that time Mankato won the conference title from 1946 through 1952 with the exception of 1947. Since coming to Mankato in 1953, Bob Otto's record has been steadily improving starting with a 1 and 7 record in 1953 and ending with a 4 and 5 record last year.

to Seeman.

Winona TC outgained the Dragons 260-51 yards, but fumbles again were the deciding factor, as the Dragons fumbled 12 times. Winona recovered six of the Dragon miscues.

Saturday's game marked the first time Gene Goedel has played at quarterback, and he played a good game. Goedel was inserted in the quarterback position when injuries kept regular quarterbacks Anderson and Bonn out of action.

Dale Skalisky and Ron Noesen were the leading ground gainers for the Dragons. The next game, again a STC conference tilt, will be the homecoming game with the Mankato TC Indians Saturday afternoon.

The Editor Speaks

SPORTS NOTES

by Dave Montplaisir

The MSTC Dragons got encouraging news this week. It was learned earlier this week that Glen Anderson, who was expected to be through for the season, will be able to play. Anderson, starting quarterback, pulled a muscle against St. Cloud the weekend before last. Other encouraging news is that Bill Beck, co-captain, may be able to play this Saturday. Though Bill went with the team to Winona last Saturday he did not dress for the game. Another backfield man, Andy McCarty is still hobbling around after injuring a knee several weeks ago.

Between singing "You Ain't Nothing But A Hounddog" and going to classes Sherman Moe has been getting a jump on the boys by practicing shooting baskets. Moe, like Lowell Bolger, has been spending a lot of time shooting baskets in preparation to

the coming basketball season.

Saturday the NDAC Bison play Missouri of the Big Seven Conference, with still some doubt as to whether Parkell will play or not. An informant who shall be nameless gives Missouri a two touchdown edge if Parkell plays and a four touchdown edge if he is unable to play. The AC suffered their first loss last weekend 10 to 3 to Morningside. Missouri lost 33 to 27 to Southern Methodist who in turn defeated Notre Dame in their opening game.

In the reserve game Monday night Concordia defeated the MS reserves 18 to 6. Gene Goedel scored the only MSTC touchdown.

The big news of the week is Kermit Klefsaas. Klefsaas was declared ineligible previous to the game between St. Cloud and Mankato last Saturday when St. Cloud raised a question as to his eligibility. A new rule which came out this year states that one can be eligible for more than 15 quarters. The only exception is time out for military service. Klefsaas started at Minnesota in 1949 and is currently in his 17th quarter.

Following a 13 to 8 defeat at the hands of the Dodgers last Friday a local sports writer stated that there was some doubt as to whether or not the Yankees could finish in the first division in the National League. After the Yankee pitchers allowed one run and six hits in three games to take the world championship it might do for a little entertainment if you look for an "I told you so" in his column.

Still tied for the top spot in the intramural touchball tourney are the Jets and the Dawgs. The rest of the teams have all remained stationary in the Wins-Loss column except the Polynesians, who defeated the Tigers, putting them in the cellar with a 1-3 record.

Play has been suspended for this week because of the homecoming activities.

MSTC Frosh Lose First To Cobbers

Dropping the first game of the season Monday night, MSTC Frosh football squad went down before the Concordia Freshmen, 18-7.

The home Freshmen scored their only touchdown in the first period with Goedel going over for the TD. Dale Skalisky converted for the extra point.

The Cobbers tallied in the first, third, and fourth periods, and were never able to score after the touchdowns.

by Elmer Reseland

Kay Colwell has been added to the Sunday Special series of programs. She will be heard every Sunday from 7 to 8 p.m.

A very interesting show that features Popular Music from years ago is heard on KMSC every Wednesday from 9:45 to 11. It is entitled "Pops From The Past" and is run by Duane Eide.

Stompin' Room Only has been changed to Tuesdays from 8 to 8:30 and Hal's Hit Parade will move into the Thursday spot at the same time.

This year's KMSC staff comes from 19 cities, 3 states and Hawaii. How's that for variety? And speaking of variety KMSC has classical, semi-classical, Jazz, Progressive-Jazz, Popular, and Western Music on the air every week, as well as the latest in sports and news of the campus and world.

Night Murmurs with Cliff Strommen is heard twice a week this year. Listen to it from 11 p.m. to 1 a.m. every Sunday and Thursday night.

Negotiations are now under way for a new Dance Party to be featured with Co-rec on KMSC every Wednesday night. KMSC would be in charge of the program and could give a large selection of dance music to the Co-Rec Dances.
